Dear Mayor Boughton and Members of the Common Council:

Please accept the enclosed \$5,000 check as a contribution from the Swampfield Land Trust to the City of Danbury, specifically for the purpose of funding trail signs, trail brochures and environmental interpretation signs for the Ives Trail Greenway.

This contribution is the result of a grant from the Meserve Memorial Fund to the Swampfield Land Trust, as outlined in the attached letter of June 17, 2004.

Jack Kozuchowski played a major role in the application for this grant.

The Swampfield Land Trust was honored to be appointed to the Ives Trail Greenway Task Force by Mayor Boughton and is pleased to be a proactive participant on a continuing basis. Also, we have been happy to partner with the City on other projects related to Danbury's open space and quality of life: the three-year joint venture with the Conservation Commission to identify, map and prioritize all open space in the City; adopting a section of the Rogers Park Pond Trail for regular monitoring; and adopting Long Ridge Road as part of the Mayor's Clean City Danbury Program. We look forward to continuing and successful partnerships.

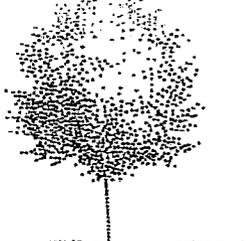

If you have any questions, I would be happy to hear from you. I can be reached as indicated below.

Sincerely,

Bill Montgomery

It is my pleasure to inform you that a grant has been authorized from the Distribution Committee of the Albert W. & Helen C. Meserve Memorial Fund in the amount of **\$5,000.**

This grant is to be used to fund the purchase of trail signs; new trail brochures; and environmental interpretation signs for the Ives Trail Greenway, as per your recent proposal to the Meserve Memorial Fund. All items supported by this grant should give credit to the Meserve Memorial Fund.

We require that your organization publicize this grant upon receipt of the grant check, which you will receive directly from Wachovia Bank. Please write and disseminate a press release to *The Danbury News-Times* and relevant local newspapers describing the funded project, and the support your organization has received from the Albert W. & Helen C. Meserve Memorial Fund. A copy of this press release should be included with your grant report. In addition, please reference this grant in your organization's communications materials, such as your annual report, web site and newsletter.
