Re: Donation to the City Shelter
Date: 10/26/04

Please accept the following donation. Mark Lubus, of Lubus Land Development, Inc. has graciously donated an estimated \$2,500.00 in labor costs to the City Shelter.

Mr. Lubus will install the kitchen cabinetry the weekend of 10/30/04.

This donation, while valued at \$2,500.00, may in fact be more based on the time it takes to actually do the complete job.

Your acceptance of this donation will be greatly appreciated.

To Whom It May Concern,

I am donating my labor to install supplied cabinetry at 41 New Street,
Danbury City Shelter.

I estimate the value of my labor to install this cabinetry, using the
supplied drawings and measurements, to be \$2500. Since the work has yet
to be completed, this is only an estimate.

Please call me with any questions or concerns at 203-730-2434.

Mark Lubus
