Chief Alan Baker
Danbury Police Department
120 Main St.
Danbury, CT 06810

Dear Chief Baker,

This letter serves to confirm the intent of Union Savings Bank to donate to the Danbury Police Department a complete video surveillance system to be installed in the newly constructed Danbury Police facility. The system is manufactured by 3VR, a San Francisco technology leader. 3VR is a state of the art surveillance system which has proven to be extremely reliable and improves investigative efficiency and effectiveness. The system's main attributes include high compression capabilities to store large amounts of data and built-in facial recognition with search engine.

Union Savings Bank is cognizant this donation is contingent upon acceptance and approval of the Danbury Common Council. With the approval of the Common Council, Union Savings Bank will proceed to acquire the necessary components and coordinate installation with the appropriate representatives of the Police Department.

This donation includes all the necessary hardware, software, surveillance cameras as well as the cost of the installation. It is estimated that the value of this donation is approximately \$15,000 - \$20,000. We would request that you notify the undersigned of the project status in order to accommodate your timetable for installation.

Sincerely,

William McNamara
Senior Vice President of Technology and Security
