POLICE AND YOUTH PROGRAM

A Funding Opportunity of the Juvenile Justice Advisory Committee

193

November 2008

1. Eligibility

The only eligible applicants for this funding are local public agencies. Local public agencies are eligible to apply for one time funding of up to \$10,000 for the twelve-month period of July 1, 2009 to June 30, 2010. Typical grantees might be the local police department, the youth services bureau, the recreation department or the department of human services.

Only one application under this program proposing to serve the same city, town or group of towns will be considered by the JJAC for funding, except that for the cities of Bridgeport, Hartford, New Haven and Waterbury up to three applications each proposing to serve a different city neighborhood will be considered.

Priority will be given to applicants that have not received a grant from the JJAC under the Police and Youth Program in the past three years. The JJAC will not fund any project already supported by the JJAC under the Police and Youth Program for three consecutive years.

It is expected that 10 to 15 grants will be awarded. The Juvenile Justice Advisory Committee (JJAC) has allocated a total of \$100,000 for the Police and Youth Program. This allocation amount may be increased or decreased depending upon the number and quality of applications received.

2. Program Description

Applicant agencies may apply for funds to increase or enhance opportunities for youth and police to work together to benefit their community. The goals of the Police and Youth Program are to promote positive youth development and to increase the numbers of police officers who are experienced and comfortable working and interacting with youth.

Applicants must propose non-enforcement activities that:

- (1) are planned for and with older children—12 to 18 years of age;
- (2) will identify and serve some at risk youth;
- (3) appropriately involve patrol officers or other officers who, for the most part, do not have regular interaction with youth;
- (4) include a community service component;
- (5) include activities that will appeal to youth and encourage their participation;
- (6) involve more than one session and/or have a follow-up component; and
- (7) are conducted outside of instruction time in the classroom.

This program category will not support traditional police explorer post activities, uniforms or equipment; however a police explorer-based proposal that meets requirements 1 through 7 above is eligible for funding.

3. Application Content

Each application must be prepared in conformance with the POLICE AND YOUTH PROGRAM Application Form. This form is available online at www.ct.gov/opm/JJYDprograms. Click on Police and Youth.
