Dear Mayor Boughton and Common Council Members:

Request for Sanitary Sewer Extension Time Extension
60 Shelter Rock Associates LLC - 60 Shelter Rock Road

As per Sec. 16-6.1 of the Code or Ordinances, at the September 1, 2009 Common Council meeting, the application for a time extension for the previously granted approval of the extension of a sanitary sewer to serve the above noted property (Tax Assessor's Lot No. K15107) was referred to our office for a report (reference item 12 of the meeting minutes).

The original application for this sanitary sewer extension was approved by the Common Council at it November 8, 2007 meeting (the committee meeting on this issue was held on October 9, 2007). The Common Council approved this request with 9 conditions.

The proposed time extension for the sanitary sewer extension approval is acceptable to the Engineering Department.

If you make the determination to approve the requested sanitary sewer extension time extension, the approval should be subject to the standard 8 conditions (copy enclosed) with an additional 9th condition (same as the original November 8, 2007 9th condition) that requires the petitioner to obtain an easement from Mr. Cardillo, 50 Shelter Rock Road, to install a portion of the new sanitary sewer on Mr. Cardillo's property.

If you have any questions, please feel free to give me a call.

Very truly yours,

Farid L. Khouri, P.E.
City Engineer

CONDITIONS AND RESTRICTIONS
TYPICAL SANITARY SEWER AND WATER EXTENSIONS
COMMON COUNCIL
CITY OF DANBURY

1. The petitioner shall bear all costs relative to the installation of said sanitary sewer/water extension.
2. The petitioner shall submit as-built drawings of this extension prepared by a licensed Connecticut Land Surveyor for approval by the City Engineer.
3. Detailed engineering plans and specifications are to be approved by the City Engineer and the Superintendent of Public Utilities prior to the start of construction.
4. If required, a warranty deed in a form satisfactory to the Corporation Counsel shall be executed by the petitioner conveying to the City all right, title, interest and privileges required hereunder and said deed shall be held in escrow for recording upon completion of installation.
5. That upon completion of installation, title to said sewer/water line within City streets and any necessary documents be granted to the City in a form which is acceptable to the City Engineer and Corporation Counsel.
6. The petitioner shall convey ownership of any easements to all or such portions of the sanitary sewer/water lines as the City Engineer's Office determines are of potential benefit to other landowners in the City.
7. No Certificate of Occupancy shall be issued until the above requested forms, documents, plans, etc. are received and the City owns the extended sanitary sewer/water lines.
8. **This approval shall expire eighteen (18) months following the date of the Common Council action. The Common Council may, at its option, renew this approval for another eighteen months period. A letter to the Common Council requesting a time extension is warranted.**
