**Re: Donations to the Fire Department,**

Dear Mayor Boughton and Members of the Common Council,

The Fire Department has received the following donations.

**1. Danbury Hospital – Husky emergency steel pipe tool (\$2,690.00)**

This donation was made to assist our department in emergency water pipe failures. The equipment will enhance our emergency preparedness and response.

**2. Fair Honda of Danbury – Two-year lease on 2005 Honda Odyssey (\$12,900.00)**

Fair Honda has once again offered to lease a new Odyssey van for our fire prevention bureau. The previous van has been extremely beneficial in assisting our fire marshals in delivering educational programs.

I would ask that these generous donations be accepted at the March meeting of the Common Council.

Respectfully submitted,

*Peter J. Sicienski*
