To: Common Council President Vincent Nolan

Dear Vinny:

I am requesting that and Ad Hoc committee be appointed in order to investigate the possible purchase by the city of Danbury, of the Boughton St. YMCA. This would make an ideal site for a teen center to be run by the city establishing a good atmosphere for everyone to enjoy. Could you please let me know when this will be put on an upcoming agenda, I would hope to have it as soon as possible.
