RE: Donations to City- Lamar Advertising Company (LAMAR)

Dear Mayor Boughton:

I am writing to inform you two donations offered by the Lamar Advertising Company (LAMAR) to the City of Danbury.

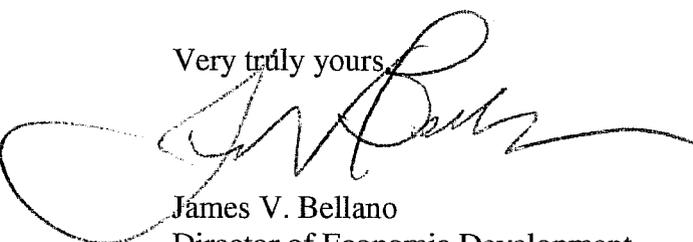

The first would be an advertising opportunity, i.e., the use of one of LAMAR's billboards for the city to publicize events and attractions, market the city's economic assets, and provide community and public service announcements. The donation could come in the form of what is known as a "poster," a 10' x 28' billboard, signage on HART buses, or a promotional opportunity on other LAMAR venues throughout the City.

The second donation comes in the form of an offer to maintain Elmwood Park for the city. Maintenance would include clean-up and general landscaping of the park on an ongoing basis.

The specifics of the billboard's type, location and content, as well as the maintenance schedule for Elmwood Park will be worked out upon acceptance of said donations by the Danbury Common Council.

Please present these donations for approval by the council at the upcoming, April Common Council meeting.

Very truly yours,

James V. Bellano  
Director of Economic Development
