Re: 8-24 Referral/February 1st CC Agenda Item 13 – Request for Sewer and Water
Extensions on Stable Dr.

The Planning Commission has received a request from the Common Council for a report pursuant to CT General Statutes/Sec 8-24, regarding the above referenced item.

At the February 16, 2005 meeting, the Planning Commission made a motion to give a negative recommendation for the above referenced request because the City is considering condemning this land for acquisition, so we cannot consider this request until that issue is resolved.
