Re: Donation of Ash Urn for Police Dept.

Dear Honorable Mayor Mark D. Boughton and Members of the
Common Council:

With your approval, I would like to donate a stone ash urn for the front
of the Police Dept. on Main Street.

I am attaching a picture of the urn I have selected for your
information.

I recently attended the Citizen Police Program in your City and
noticed many cigarette butts littered about the area. I feel that this
urn would help in keeping the area clean.

If you approve of this donation, please contact me so that I can
arrange to have the urn delivered.

Thank you for your consideration.
