Other activities involving the Fire Marshal's Office for the month were:

**TRAINING**

All members of the Fire Prevention Bureau continue to receive training from the Connecticut Department of Public Safety Office of Education and Data Management. We continue our education in accordance with State Statutes, to enable us to deliver a quality service to our community. Inspectors Perry and Wiedl will complete the second of three training modules for Fire Marshal Certification on April 27, 2005. They will complete their basic training in the fall.

**PUBLIC EDUCATION**

This past month the following specialized programs were presented to the public.  
Lorad Corporation – Fire Extinguisher Training - W.Weber.  
Civil Air Patrol – Fire Extinguisher Training – B. Rickert.  
Danbury Hospital Town Meeting – Disaster Preparedness – B. Rickert.

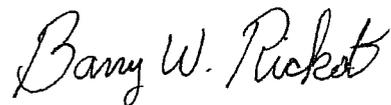

Dedication to Public Fire Educations on all levels continues to be the key to our success.

**MISCELLANEOUS ACTIVITIES**

The Illegal Apartment Enforcement Team was active this month conducting inspections and responding to complaints nights and weekends.

This issue is consuming a considerable amount of time and manpower.

Respectfully submitted,
