RE: Out of Town Food Vendor Permits - Request for Appointment of Ad Hoc Committee

Dear President Nolan and Members of the Common Council:

I am writing to request the appointment of a Common Council Committee to review and make recommendations regarding the City's policies and procedures for issuing food vendor permits to out of town vendors.

As you may recall this issue was raised at the most recent Common Council meeting by a member of the public. It was stated that while Danbury issues permits to vendors from other area towns, those towns will not issue permits to Danbury vendors. These policies put Danbury resident vendors at a competitive disadvantage and should be reviewed.

I thank you for your consideration of this request and please feel free to contact me with any questions you may have.

Sincerely,

Thomas J. Saadi
