Re: Donation to the Fire Department,

Dear Mayor Boughton and Members of the Common Council,

The Fire Department has received the following donations.

1. Union Savings Bank - Two Thousand One Hundred Dollars – (\$2,100.00)

This donation will be used to purchase a “Sparky the fire dog” costume to be used by our Fire Marshals in Public Education venues. Please deposit into line item account 2010.5679 Materials Supplies Not Classified.

2. Wal-Mart Foundation – One Thousand Dollars – (\$1,000.00)

This donation is part of the Local Heroes program and will allow the department to pursue training opportunities not funded in the current operating budget. Please deposit the donation into line item 2010.5322 Conferences.

3. BRT General Corporation – Equipment – Estimated retail value of One Hundred Thousand Dollars – (\$100,000.00)

The BRT Corporation would like to donate public safety equipment that was abandoned in one of the companies Self-Storage units. Concerned that the specialized equipment would fall into the “wrong hands” BRT purchased the contents at auction. All equipment is new and will be disbursed between the

Police and Fire departments as necessary. There are no additional costs associated with this equipment such as training, maintenance or storage fees.

I would ask that these generous donations be accepted at the December meeting of the Common Council.

Respectfully submitted,

Peter J. Sicienski
