WILLIAM J. BUCKLEY, JR., P.E.
DIRECTOR OF PUBLIC WORKS / CITY ENGINEER

January 13, 2006

Honorable Mark D. Boughton
Common Council
City of Danbury
155 Deer Hill Avenue
Danbury, CT 06810

Dear Mayor Boughton and Common Council Members:

School Building Committees
Various School Projects

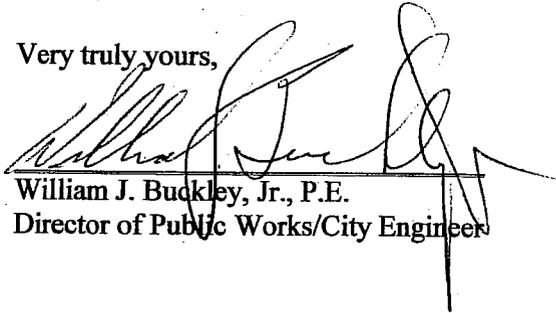

At the January 26, 2004 Common Council meeting, the members of the school building committees for various school projects were approved by the Common Council.

Two of the originally named Board of Education school building committees members (George O'Loughlin and Bobby Poole) are no longer members of the Board of Education. The Board of Education has proposed to fill the vacant committee memberships with Board of Education members Joan Hodge and Kathy Molinaro.

We ask that the Common Council consider naming Joan Hodge and Kathy Molinaro to the various existing school building committees.

If you have any questions, please give me a call.

Very truly yours,

William J. Buckley, Jr., P.E.
Director of Public Works/City Engineer

C: Dr. Eddie Davis
Eric L. Gottschalk, Esq.
