Re: **Water Main Final Assessments – Ta'Agan Point Area**

The Common Council met as a committee of the whole on January 9, 2006 in the Common Council Chambers in City Hall.

Assistant City Engineer Patricia Ellsworth stated that this project has been completed and the assessments are lower than the preliminary numbers due to a state grant in the amount of \$283,000. Mrs. Ellsworth explained how the assessments are paid.

Mr. Cavo made a motion to recommend that the Common Council adopt the final assessments. Seconded by Mrs. Basso. Motion carried unanimously.

Respectfully submitted,

VINCENT P. NOLAN, JR.
