TRAINING

All members of the Fire Prevention Bureau continue to update their training with the New Fire Code, adopted December 31, 2005. We are all spending many hours in class learning new codes and technology. In the final analysis, this new information and methodology will prove invaluable in our ability to deliver quality service to our community.

Deputy Marshal Wiedl reviewed the Fire Safety Program/Planning for the Danbury Housing Authority.

Fire Drills were conducted at several locations including a number of schools.

MISCELLANEOUS ACTIVITIES

Our residential code enforcement team was very active this month in routine apartment inspections and re-licensing of hotels and motels.

The Illegal Apartment Enforcement Team conducted a number of inspections revealing more illegal occupancies.
