City of Danbury,

Danbury Youth Baseball would like to donate to the City of Danbury the money necessary to perform field improvements on the Rogers Park Field. The proposed work on the Rogers Park Field would include rebuilding the pitcher's mound, the batter's box, and the catcher's area. Danbury Youth Baseball has secured a quote from Lunan's Landscaping LLC/D.B.A. Premier Turf. Lunan's Landscaping LLC/D.B.A. Premier Turf specializes in athletic field maintenance and repair. . Mr. Norval Lunan is the contact person for this business and had provided a Commercial Applicator Certificate, Certificate of Liability Insurance, Business Registration Number, and the previously mentioned quote (totaling \$2018).

Danbury Youth Baseball would also like permission to perform certain routine maintenance on the Rogers Park Field. All cost for labor and materials needed to perform any maintenance would be incurred by Danbury Youth Baseball. The maintenance would primarily consist of spraying the outfield warning track and ensuring that it is smooth and level on the Rogers Park Field.

Thank you for your attention regarding this matter.

Sincerely,

*Stephen Borst*
