Re: 2006 Clean City Danbury Day

Dear Mayor Boughton and Members of the Common Council,

Once again, I am pleased to report to you that we had a very successful Clean City Danbury Day. Despite the rain, sleet, hail and snow, yes snow, we exceeded the total tonnage that was collected last year. The total tonnage collected, transported and disposed of this year was 134.51 tons. In the midst of this Clean City Danbury Day, we even sent a truck out to do some sanding on roadways reported to us to be excessively slippery from the snow.

I am also pleased to report to you that for the third year in a row, Mr. James Galante, owner and operator of AWD, Inc. at 305 White Street in Danbury, has offered to donate the value of the container rentals, transportation and disposal for this event. The total value of these services is \$21,999.90. I respectfully request that you accept this donation, and send the appropriate letter of appreciation.

Very truly yours,

William J. Buckley, Jr., P.E.
