Honorable Mark D. Boughton  
Common Council  
City of Danbury

Danbury, CT 06810

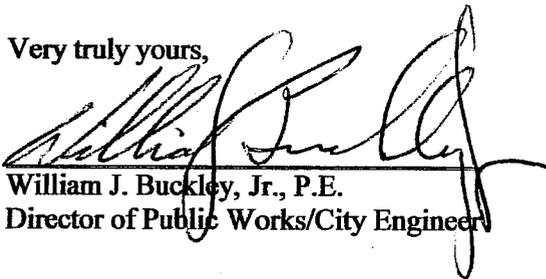

Dear Mayor Boughton and Common Council Members:

Fire Hydrant Easement  
Dr. James Roach Avenue  
Western Connecticut State University

As part of the development of the new science building and related facilities at Western Connecticut State University, a new fire hydrant was installed on university property along Dr. James Roach Avenue (formerly known as Seventh Avenue). Title to this fire hydrant and the related easement around the fire hydrant are to be transferred to the City. Enclosed please find the draft easement document prepared by the State of Connecticut.

We would appreciate if you would authorize the Corporation Counsel's office to take the steps necessary to acquire this easement and authorize Mayor Mark D. Boughton to execute the legal documents. If you have any questions, please give me a call.

Very truly yours,

William J. Buckley, Jr., P.E.  
Director of Public Works/City Engineer
