Honorable Mark D. Boughton
Common Council
City of Danbury
155 Deer Hill Avenue
Danbury, CT 06810

Dear Mayor Boughton and Common Council Members:

Building Committees – Various School Projects

As a result of my and Assistant City Engineer Patricia Ellsworth's upcoming retirements, Robert Ryerson's earlier retirement and the request by Paul Galvin that he be removed from the present school building committees, a number of changes to the memberships of the various existing school building committees are warranted.

It is our recommendation that the revised building committees be as follows :

A. Magnet School Building Committee

Farid Khouri, Chairman
Dan Garrick
Richard Palanzo
Dena R. Diorio
Charles J. Volpe, Jr.

Board of Education Members

Most of the recommended committee members listed above are presently members of the various existing building committees. Being a member of a building committee requires a significant time commitment. By naming committees composed of basically the same members, we will be able to most efficiently address all the important issues that arise.

If you have any questions, please feel free to contact me.

Very truly yours,

William J. Buckley, Jr., P.E.
Director of Public Works/City Engineer
