Honorable Members of the Common Council  
City of Danbury, Connecticut

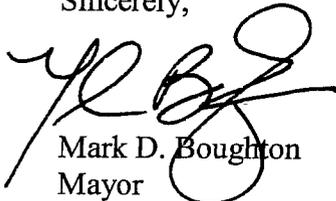

Dear Common Council Members:

Preservation of open space in our community is a high priority of my administration and the City of Danbury's Plan of Conservation & Development. One area of concern for open space preservation is the Great Plain District and the historical Taylor Farm is of particular interest as we plan for Danbury's future.

I am writing to request an Ad Hoc committee be appointed to identify open space conservation options for Taylor Farm. This is an important conservation initiative for the Candlewood Peninsula area of our community.

Thank you for your attention to this matter.

Sincerely,

Mark D. Boughton  
Mayor
