

AD HOC REPORT – 4 STADLEY ROUGH RD. – REQUEST FOR SEWER LINE

OCTOBER 17, 2006

Chairman Joe Cavo called the committee to order at 6:30 p.m. In attendance were Councilmen Michael Calandrino and Fred Visconti, Antonio Iadarola, Director of Public Works, Laszlo Pinter, Corporation Counsel, Shay Nagarsheth, John Esposito and Robert Riley, ex-officio.

Mr. Cavo stated that there is a positive recommendation from the Planning Commission.

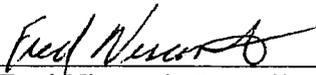

Mr. Iadarola showed a map of the extension. The City is in the process of finishing the sanitary sewer project this petitioner will extend. There is no problem extending this sewer. The time frame for the City to complete their work could be about one to two months. The petitioner would use the City's contractor and a meeting will be set up with the petitioner once the approval of the Common Council has been granted.

Mr. Calandrino made a motion to recommend approval of the sewer extension subject to the required eight steps. Seconded by Mr. Visconti. Motion carried unanimously. Meeting adjourned at 6:40 p.m.

Respectfully submitted,

Joseph Cavo, Chairman

Michael Calandrino, Councilman

Fred Visconti, Councilman
