Re: 10 Year Plan to End Homelessness  
Donation of Time and Equipment

Nicole Griswold ReZOLV Creative Solutions, LLC, donated her time, effort and equipment to transcribe the City of Danbury 10 Year Plan to End Homelessness from the printed report to a CD.

This CD can be used to add the Report to the City's Web Page for public review as well as to provide a permanent vehicle from which to obtain printed copies of this report in the ensuing years.

I am requesting that the Council accept Ms. Griswold's personal donation in this important contribution to the City of Danbury's efforts to eliminate homelessness.

Thank you.
