Dear Mayor Boughton and Members of the Common Council:

The Department of Elderly Services has received the following donation for a performance by the Cellmates, which is the Senior Center Band, from the following:

- Wilton Meadows 50.00

In addition, the department has also received a donation of \$500 from the Western Connecticut Area Agency on Aging (WCAAA). (See attached letter). This donation was given in recognition of our partnership with the WCAAA last year to enroll seniors in the very confusing Medicare D program. We are grateful for this donation and look forward to future collaborations with this state agency.

Please accept these donations and transfer the above \$550.00 into line item 5002-5311 Professional Services.

Thank you.

Respectfully,

Susan M. Tomanio, LCSW
Director of Elderly Services

ATT: Susan Tomanio, Director

Dear Susan 

It's been almost two years since we began signing people up for Medicare Part D. The Department of Elderly Services played a large part in helping people in your community to enroll in a Part D Plan. Although the enrollment process wasn't always easy, you and your volunteers were of enormous assistance to the WCAAA. We recognize that you encountered many obstacles with the process and your senior population. However, because of your perseverance and willingness to work personally with the WCAAA staff and volunteers, we were able to enroll many seniors from your town.

We thank you for the help that you have given us and are enclosing a check in the amount of \$500.00 payable to Department of Elderly Services. Please use the contribution toward senior center activities as the funds are part of our past Medicare Part D grant from CMS. Finally, while many of our western area senior centers have received a check for \$150 in gratitude for their participation, we wished to recognize, with a larger check, those community partners that were most involved in the past Part D effort.

We look forward to a continuing mutually beneficial relationship and partnership.

Sincerely,
