Re: Request for Permission – Disposal of Surplus Vehicles & Equipment

Attached is a list of vehicles and equipment recently declared surplus by various City departments.

Pursuant to the requirements set forth by Section 2-153 of the Code of Ordinances, I am requesting your permission to sell the listed surplus vehicles and equipment, along with any remaining surplus fixtures and equipment located in the former Immanuel Lutheran School building. The City has an existing contract for auctioneering services, and the intent is to dispose of all the items via a public auction.

If you have any questions, please feel free to contact me.
