Re: 62 Chestnut Street, Inc. - Chestnut Square
Application for Extension for Water and Sewer Lines

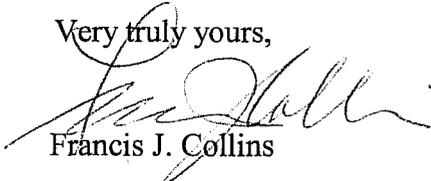

Dear Mr. Cavo:

My client, 62 Chestnut Street, Inc., received approval of an extension of the City's water and sewer to 62 Chestnut Street on August 1, 2006. This approval was valid for 18 months and will expires on February 8, 2008.

My client is still meeting with City Engineering on drainage issues and would like to have an extension of the approval for an additional 18 months from February 8, 2008. The project is proposed to start in 2008 and be completed mid year of 2009. Accordingly, enclosed is a new Application for Extension of Sewer/Water. The Engineering Plan is the same as was submitted with the previous application.

I would appreciate it if you would advise me of the Council's action on this extension request.

Very truly yours,

Francis J. Collins

Re: Water and Sewer Extension Request
62 Chestnut Street

Dear Mayor Boughton and Common Council Members:

We are in receipt of a water and sewer extension request for 62 Chestnut Street from Attorney Francis J. Collins. This request has previously received Common Council approval in August 2006. As part of our typical 8-steps procedure on sewer and water extensions, the approval shall expire 18 months following the date of the Common Council action.

This letter is to inform you that we do not object to the 18-month extension requested. The new extension will expire on August 1, 2009.

If you have any questions, please feel free to contact me.

Sincerely,

Farid L. Khouri, P.E.
City Engineer
