Re: Donation
Western Connecticut State University

WCSU has sent a check in the amount of \$25 as a donation to the City Shelter in appreciation for Claudette Forgarty's recent presentation to a Sociology Class at the invitation of Professor Rosilind Kopfstein.

Claudette, as the Coordinator of Homeless Services at the City Shelter, organized a panel discussion on the issues affecting people who are homeless. Folks who use the services provided at the Day Center / Shelter were invited by Claudette to participate and share their personal experiences. Three people accepted the invitation and the program made quite an impression upon the students, according to Professor Kopfstein's letter of appreciation.

I am requesting that the Council accept WCSU's donation and that it be deposited into an account for use by the Day Center / Emergency Shelter.

Thank you.
