Re: Grant Request

Attached for your consideration is a grant request to the Connecticut Fair Plan Anti-Arson Committee for funds to purchase a digital SLR camera. This camera will provide our office with modern technology and assist us in fire scene documentation. Normally the grants are capped at five hundred dollars (\$500.00) however the committee has the ability to increase the amount on a case by case basis. If the committee does not grant us the entire amount the city may have to provide the balance of one hundred and fifty dollars (\$150.00) in order for this equipment to be purchased.
