CITY OF DANBURY
155 DEER HILL AVENUE
DANBURY, CONNECTICUT 06810
SIXTH WARD
COMMON COUNCIL

December 5, 2006

Members of the Common Council
155 Deer Hill Ave
Danbury, CT 06810

Dear Council Members:

The neighbors of Kenmere Boulevard, Huckleberry Lane and Blueberry Lane for years have expressed interest in turning these streets over to the city, not withstanding the fact that many residents feel their roads should already be considered public because of language implications in development deeds and the merger of Town and City several decades ago. We hereby request that the Common Council authorize Corporation Council and any other relevant City Department to investigate proper ownership of the aforementioned roads and report back its findings to the council.

Sincerely

Benjamin Chianese
