DANBURY, CONNECTICUT 06810

## COMMON COUNCIL

February 27, 2007

Members of the Common Council  
155 Deer Hill Ave  
Danbury, CT 06810

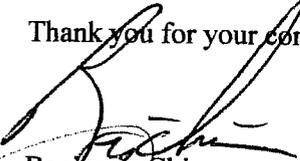

Dear Council Members:

In October 2000 the Common Council authorized the sending of a sanitary sewer extension mail survey to residents of Rolf's Drive, Greta Drive, Cel Bret and Briar Ridge, however no survey was sent because the engineering department was waiting for preliminary project designs.

We have learned the engineering department has received those preliminary designs, and therefore respectfully ask the City of Danbury send out the necessary survey as requested by the Common Council in October of 2000.

We are also submitting a petition signed by the neighbors of Rolf's Drive, Greta Drive, Cel Bret and Briar Ridge on their wish for a sanitary sewer.

Thank you for your consideration in this matter.

Benjamin Chianese  
Councilman - 6<sup>th</sup> ward

Paul Rotello  
Councilman - 6<sup>th</sup> Ward
