Honorable Mayor & Common Council Members:

Please accept this donation from Ms. Cynthia Bell Schreiber in memorial to her sister Patricia Schreiber who passed away in a car accident on April 17, 2006. A letter from Ms Schreiber is enclosed. I have spoken to Antonio Director of Public Works about the donation and believe the bench will be a nice addition to the current renovations that are being undertaken at our town park. The cost of the bench is \$450.00 and O & G Inc. will deliver the bench to a determined location by our Director of Public Works.

Would it be possible for the city to send their deepest sympathy to the Schreiber family and a letter of thanks to O & G as well as Cynthia Bell Schreiber.

Sincerely,

To Whom It May Concern:

I am submitting this request to have a memorial bench installed at the Candlewood Town Park in Danbury, CT. My sister, Patricia M Schreiber, passed away on April 17, 2006 in an automobile accident at the age of 43. She was the last sibling to be living in Connecticut, as we all relocated to the DC area. During our childhood we spent all of our summers boating on Candlewood Lake. This was Patty's favorite place to go when we were younger, and as she grew older she would go there after work to read, relax, and swim.

Our family feels that the bench will not only memorialize my sister, but will give others a place to sit, reflect and enjoy the beauty of Candlewood Lake.

If you need to get in touch with me regarding the above request I can be reached at the above number. However, you may contact Patty's close friend, Lisa Shepard in Danbury as she has been helping with the coordination for Patty's memorial. Lisa can be reached at 203-743-7883.

Sincerely,

Cynthia Bell Schreiber
