Dear Mayor and Council:

The Corporation Counsel advises the Council that there are developments in the two above referenced court actions which require the attention of the Common Council. We are requesting that these matters be placed on the Council agenda at its June meeting to be deliberated and acted upon in executive session.

Thank you for your consideration in these matters. Please feel free to give us a call should you have any questions.

Very truly yours,

Raymond P. Yamin
Associate Corporation Counsel
