Re: Dress for Success Program

Each year the Division of Social Services and Welfare has participated in the Western Business Volunteers Program called Dress for Success. Local businesses, non-profit organizations and city employees "adopt" elementary school aged children and use the donated money to purchase school supply items for children in need. Each year this effort is coordinated by Kathryn Kinasewitz who collected the donated items and matched them with the children. This year the City of Danbury employees were asked to contribute money so that the necessary school supplies could be purchased based on the child's requested school supply list.

I am pleased to announce that the City of Danbury will be adopting six children this year from Mill Ridge Elementary School. I am requesting that the Common Council accept these sincere and generous donations from the City Employees in the amount of \$1,000.

I would like to thank those individuals who participated in this effort and to Kathryn who orchestrated the Dress for Success Program for the City of Danbury employees. Thank you.

Sincerely,

Aimee H. Budnik, MS, RD
